Islanders are gonna need to get that goalie damn looked at
By Harrison Mooney

On July 18, custom football jerseys, hockey practice jersey, 2006, new nfl jerseys 2012, navy football jersey, New York Islanders' backup Garth Snow retired and was summarily announced as the team's new General Manager. Needless to mention it was a surprise.

It was likewise the first of two extremely unusual offseason goaltending moves the Islanders would make that year. The second came two months later when Snow made his 1st gonzo handle handing Rick DiPietro (notes a guaranteed \$67.5 million to mind the net as the next 15 years).

I go back and forth over which goaltending move was a more unorthodox an as the Islanders. What's stranger, sports jersey frame, signing goaltenders to deals that long outlive highest housepets, nba throwback jerseys, alternatively promoting backups to mutual manager? Either access the summer of 2006 was a good time to be a goalie on Long Island.

Since afterwards never so much. Just north of five years from signing the handle DiPietro has only played 164 games due to a bevy of injuries, baseball jersey design, custom nhl jerseys, some suffered among unlikely scenarios, youth nba jerseys, such as during the All-Star game shootout competition or surrounded a goalie fight.

Meanwhile, throwback baseball jerseys, the crew has utilized 12 separate starters as a combined total of 276 games, all nhl jerseys, Flames Hockey Jerseys, as Wade Dubielewicz (notes Mike Dunham (notes Joey Macdonald (notes Yann Danis (notes Peter Mannino (notes Dwayne Roloson (notes Martin Biron (notes Al Montoya (notes Kevin Poulin (notes Mikko Koskinen (notes Nathan Lawson (notes and Evgeni Nabokov (notes have always discerned duration among goal.

How does an explain this sort of absurdity? With an absurd explanation, 2012 Stanley Cup Jerseys, russian hockey jersey, of course: my friends, china nfl jersey, Cleveland Browns T-Shirts, this is a damn.

As everybody knows, team hockey jersey, the easiest way to get a damn is to anger a pantheon of gods (seriously, create a baseball jersey, everybody knows this). Could the Islanders have done this?

Yes. Think after to that 2006 offseason, nike nfl jerseys 2012, football jersey, nfl jersey numbers, while the franchise did things with their goaltenders you're simply never supposed to do, jersey store, nfl womens jerseys, favor give the backup the corner office alternatively give the starter 15 years like he's the freaking U.S. Comptroller General.

I hypothesize that the combination of these two moves so confounded and angered the hockey

gods that they responded forward cursing the team's netminding situation as the foreseeable future.

Only 10 games into the season, sports jerseys cheap, authentic nfl jerseys, the curse has clearly continued to wreak its havoc aboard the Islanders. Healthy to begin the annual DiPietro took a shot from teammate Brian Rolston (notes off the mask within train and missed time with a concussion).

That can't be a coincidence. At the hazard of sounding very superstitious, wholesale authentic nfl jerseys, dog football jersey, the writing's aboard the wall.

No wonder Evgeni Nabokov refused to report last season. Nobody wants to be miscellaneous up surrounded someone else's curse. Of lesson Garth Snow has effectively taken control of his soul favor the Reverend Henry Kane among Poltergeist II: The Other Side so there's nothing Nabokov can do almost it instantly.

So what's the solution to the Islanders' goalie damn Black salt among the bathwater? Solve an unsolved assassinate Sacrifice a vengeance demon to the fates? Throw Nino Niederreiter (notes into a volcano? No idea I've never been damned But whether I'm Garth Snow, usa basketball jersey, nfl football jerseys, I'm calling every shaman surrounded the Long Island district to get some answers.
